

Elite Skater Policy

February 2016

The Nepean Skating Club (NSC) believes in supporting NSC Elite skaters by offering the following privileges:

- Unlimited access to all NSC regularly scheduled, guest skating, and other skating sessions throughout the year;
- Unlimited access to all NSC off-ice programming.

In order to be eligible for these privileges, skaters must meet **all** of the following:

- Be registered with NSC as their home club;
- Skate at NSC at least 3 times a week; and,
- Obtained at least one international assignment from Skate Canada for the current competitive season.

In addition to the above, Elite skaters are expected to:

- Participate in NSC sanctioned activities, such as the NSC Ice Show, NSC organized seminars, etc., where scheduling permits; and,
- Permit NSC to use their name in marketing and publication materials.

The Board, at its discretion, may waive any of the above criteria.
