

Make-up Sessions at the Nepean Skating Club

October 2015

The Nepean Skating Club (NSC) allows skaters to make up skating sessions that they missed. A skater is permitted one make-up session per skating session in their package. Make-up sessions must be taken within the current skating season and cannot be carried forward to future skating seasons (e.g., a missed session during the Fall/Winter season must be taken within that season).

In addition to the one make-up session per skating session in their package, skaters can make up skating sessions missed if :

1. they were representing the NSC at a competition; or
2. the NSC cancels a session that was initially in the schedule. This excludes scheduled test days and sessions during weeks with a condensed schedule (e.g. March Break).

Skaters are required to fill-out a *Make-Up Session Pass*, available at the NSC Office or on the NSC website, and submit it to the Club office.

Permission must be obtained in advance of skating on a make-up session. Skaters participating in a session without permission from the NSC will be invoiced a guest skating fee. While every effort will be made to accommodate skaters' requests, the Club reserves the right to refuse or defer a request.

In the interest of skater safety, make-up sessions are only permitted on sessions that are not full.

Skaters must meet the eligibility criteria (see *Guest Skating Policy*) for the sessions they are requesting.

NSC reserves the right to remove a skater from a session if they present a safety concern to themselves or others.

Make-Up Session Pass

Today's Date: _____

Skater's Name: _____

Home Club: _____

Reason: Club Cancellation Competition Other (Specify): _____

Make-up Session(s) Requested: (e.g. Wednesday, October 7, 2015 3:30 pm)

_____, _____, 2015 _____ (am / pm)
(Day of week) (Month) (Day) (Time of session)

_____, _____, 2015 _____ (am / pm)

_____, _____, 2015 _____ (am / pm)
